

Money Worksheets - American Coins

Counting money worksheets American

Count the money by adding all the coins. In this money worksheet, write the value of money in cents as well as in dollars (use of decimals). One of the examples is done for you for explanation.

Coins	Value in Cents (¢)	Dollars (\$) Value
<p>Fifty cent coin (Both sides)</p> 	50	0.50
		
	122	1.22
