

Money Worksheets - Canadian Coins

Counting money worksheets for Canadian Currency

Now lets add in the toonie in Canadian Coins. Count all the coins, write the money using the ¢ (cent symbol) and the \$ (dollar) sign. One of the example is solved as an explanation.

Coins	Cents (¢)	Dollars (\$)
<p>Remember: A toonie is equal to 2 loonies</p> 	200	2.00
