

Rounding numbers multiple choice worksheet - 2

Multiple choice worksheets on rounding numbers

In this worksheet kids have multiple choice questions on rounding a number to nearest tens. They have to pick the right answer out of given four answers. First one is done as an example, as usual.

Circle the right answer out of four choices.

1) 965 is rounded to nearest tens A. 960 B. 800 C. 970 D. 1000	2) 197 is rounded to nearest tens A. 190 B. 195 C. 200 D. 180
3) 763 is rounded to nearest tens A. 770 B. 790 C. 870 D. 760	4) 505 is rounded to nearest tens A. 510 B. 600 C. 500 D. 10
5) 392 is rounded to nearest tens A. 300 B. 400 C. 490 D. 90	6) 119 is rounded to nearest tens A. 20 B. 200 C. 120 D. 110
