

Geometric Shapes in Our Daily Life Worksheet - 1

Daily life objects we can name them as geometric shapes

Below are some of the objects taken from our daily lives. This worksheet is to introduce basic geometric shapes in the environment around us and our kids. Ask kids to name the daily life object and which geometric shape it resembles with. Pick the words from the word box at top. First one is done as an example.

Word Box

Rectangle	Dinner plate	Sphere	Cone
Ice cream	Circle	Cylinder	Pop can
Chess board	Cereal box	Post card	Soccer ball
Cube	Square	Rectangular prism	Dice

1)

Cereal box

Rectangular Prism
